

Snowfall Ombre Knit Hat

by: A Sprinkle of Joy

This hat is knit in the round

Cast on 78 stitches

Rd 1-10: create ribbing by knitting two then purl two.

Now beginning knitting use the chart as a guide (note the first row of knit stiches is round one). Once you get to the end of the row, go back to the begin and repeat once.

Continue following the chart until row 27, at which point you can start decreasing.

To close the hat cast off leaving a long tail. Then, using a tapestry needle close off the top by weaving the tail in and out of the stiches.
